DISPATCH NO. 3995

SECRET

PIRM-

DATE NOV 16 1951

TO

FROM Chief of Station, C

SUBJECT Chief, Foreign Division P
SPECIFIC

Eugene DOLLMAN

REFERENCE: PIR-11262

1. C has suggested that source of reference be encouraged to follow up on the lead regarding the alleged Hitler documents to the extent of permitting PHASATI to go with DOLLMAN to attempt their recovery. We are willing to underwrite this to the extent of 200,000 lire for exclusive sharing with C if any results.

2. The above line is not predicated on a very great degree of confidence in the existence of the documents or in DOLLMAN's ability to find them, but is considered more as a long range investment in DOLLMAN through a good channel which we can hope to control.
